THE NEED FOR TODAY

I ask the whole world to watch the next few months. Dear Ones, a cyclone can drop its trunk onto the Earth and tear up a city in almost less time than it takes to tell it. The very same thing is the war cloud of the Earth. It drops its great trunk down and draws people into it, and then they become a seething vortex of destructive thought and feelings for no reason in the world. Therefore the only Power in this world that can stop these things permanently and bring Divine Order and Divine Justice everywhere is the Understanding of the "Great God Presence" and calling It into action—the "Mighty I AM." I say to you, Beloved Friends of America, in your business world, if you're too proud or too stubborn to accept God in your world and your business, you're going to find out that you won't have any business! *(applause)*

Therefore, all of the great heads of industry today know this thing very definitely; and in the secret of their own private offices are praying—if they don't understand the "Mighty I AM"—with all their Hearts. You wouldn't believe it, but I know it. And just the same, the great industries are getting these Books and are understanding what the Ascended Masters mean and what They can do to give the Assistance to mankind. And I say to you, Beloved Friends of America, there are no books in existence today—and will be in the next hundred years—that are the Powerful Blessing and release to mankind that Saint Germain's Books are. *(applause)* Out of the five hundred thousand Students, at least four hundred thousand have had the Release and the Blessing which the Understanding and Application given forth in those Books bring to them. Therefore, it's more than somebody's imagination. *(applause)*

Now I want to take up one definite point, Beloved Ones. And I say to you, Beloved Friends of America and Students: Remember, there are two ways of calling this Mighty Power of the "Mighty I AM Presence" into action. If you're not accustomed, if you're not anchored firmly in the Understanding of your "Mighty I AM Presence" and what It does when you're calling this Power forth, I want you to realize that it's vitally important that you call to your "Mighty I AM Presence." And your Higher Mental Body will project a Light Ray to a person, place, or condition where you want to give the assistance. This makes it impossible for your own energy to be carried there and deplete you in the lack of understanding or carry any of your human concepts into that condition. That's why those Mighty Light Rays called forth from your "Mighty I AM Presence" are so Powerful and bring such instantaneous results.

Now then, if you want to call a greater health and energy into your body, of course you must call the Light Rays into your body from your own "Mighty I AM Presence." In other words, it's the intensifying of the Light Ray that actually beats your Heart. You who understand and have seen our Chart and see the Tube of Light in which you call the "Presence" to envelop you in an Invincible Tube of Light—in one of our Charts It's open at the bottom, and the other It's closed. If you want to bring and hold and charge your body with energy rapidly, then mentally visualize the Tube of Light closed underneath your feet. Then you will hold the energy until the body is charged with It. But let me warn you, when that Charge has become sufficient—mentally with your vision—open that Tube of Light again, because you can charge your body so powerfully if you're not releasing the energy that you'll become violently nervous. Now watch out for this, because we have found now and then one who was actually doing that and didn't know it. The Application and Call from your "Presence" should produce the greatest Peace and calmness powerfully; and those individuals, when the Charge is sufficient for the immediate requirement, should release that and open that and even, if necessary, extend their hands and let the Currents flow forth to bless wherever they might go. Or if they know something direct, direct it to it.

Mankind has a Limitless Power by which they can call forth this Assistance—for instance, to your city. The "Great Presence," the "Mighty I AM" of Life, knows no limitation. Therefore, you can call It forth to project Its Mighty Light Rays into a city, into your America, into your industries, into your office buildings, your factories, or whatever the

requirement may be, and bring such a Blessing that you could not describe. Only as you see the Manifestation of it will you realize that the full glory of that is, and has been, acting before you become outwardly aware of it. We have received a number of questions about this; and while we always try to make it clear in each Class, as the new people come in, many times they do not quite understand this—but it's vital.
